

REGULATIONS FOR PRESS / PHOTO / TV ACCREDITATION

MEDIA GUIDE

The Press-Media/Photographer/TV Operator accreditation has to be requested on behalf of a newspaper, professional agency or website.

The headquarters, VAT identification number and address of the newspaper or agency must be specified. All the personal data (address, phone number, e-mail) of the person that is to be accredited as press/photographer must also be specified. Each photographic agency is entitled to accreditate up to two persons with access to the track. Journalists and photographers must send the motivation for their service to organizer Press Office Mr. Fernando Morandi e-mail: info@fmpress.it. Parma Motorsport Srls is the owner of the rights for all the images of its events.

Accredited journalists and news correspondents are entitled to use the Press Office within the Paddock, but they cannot access the track, the pre-grid area and Park Ferme. **The Press Office is open from Friday to Sunday from 8:00 to 19:00.**

PHOTOGRAPHERS

The accredited photographers will be given a Parma Motorsport identification bib. They can access Press Office and the Paddock, the circuit and pre-grid. **They cannot stay in Park Ferme.** In case of necessity, they are allowed to go through pre-grid to access the circuit, but they must not stop in Park Ferme.

Photographers are compulsorily required to own a personal insurance covering all the risks connected to the professional activity in motorsport events, and an insurance covering the civil liability for damages caused to third parties. It is preferable that accredited photographers are members of a Professional Order. Freelance photographers without professional profiles will not be accepted.

The photographers complying with the above-mentioned requisites (VAT identification number, Insurance covering the risks and Civil liability) can be accredited also by the participating Teams. In this case, the requests will be evaluated by organizer Parma Motorsport. Accreditation for drivers' photographic services will not be accepted.

Photographers must not stop in the red areas marked on the map of the circuits. It is forbidden to stay in the main straight for the first two laps of each race and photographers must position themselves in safe places during the last lap.

USAGE OF DRONES

The use of drones is strictly forbidden at all times in the whole circuit, unless otherwise specified, in writing, by the Race Director, who will also describe the specific moments in which drones could be used and the most suitable areas.
